Alabama Sand and Gravel Mining Seminars

When

1st Seminar: November 4, 2019 (9:00 AM – 3:30 PM)
2nd Seminar: November 5, 2019 (9:00 AM – 3:30 PM)

Where

ADEM-Main Office
1400 Coliseum Boulevard
Montgomery, AL 36110

The Alabama Department of Environmental Management (ADEM), in collaboration with the US Army Corps of Engineers, US Environmental Protection Agency, and Alabama Department of Labor, is hosting a free regulatory seminar for Alabama’s sand and gravel permittees, operators, and consultants. The purpose of the event would be to educate interested parties on the various regulations and requirements regarding sand and gravel mining in Alabama.

Due to the limited seating available at the event location, the Alabama Sand and Gravel Mining Seminar is being offered on two dates with each date having identical presentations. The first seminar will be held on Monday, November 4, 2019, and the second seminar will be held on the following day, Tuesday, November 5, 2019. The seminars will take place at the ADEM Main Office at 1400 Coliseum Boulevard, Montgomery, Alabama.

Because seating is limited, all attendees must **individually** pre-register for the event to reserve your place at one of the seminars. Please complete the following information, and then return this completed form by using the “Submit Form” button in the upper right corner of this electronic form. If that does not work properly for you, attach this form to an email addressed to cvm@adem.alabama.gov. A confirmation email will be sent to you once your registration has been processed. Prior to the seminar, you will also receive an email with directions to the event location as well as parking information.
